

2017 IJF Rule Changes Summary

2017.1.24 R.J. Celetto

1. Men and women contest duration will be **four (4)** minutes.
2. Only *Waza-ari*, *Ippon* or, *Hansoku-make* will decide a contest. 1 - 2 *Shido* does not affect result except in Golden Score (GS). *
3. There will only be *ippon* and *waza-ari*.
4. The value of *waza-ari* includes those given for *yuko* in the past.
5. The *waza-ari* do not add up. Two *waza-ari* are no longer the equivalent of *Ippon*.
6. Immobilizations (*Osaekomi*): *Waza-ari* - 10-19.9 seconds, *Ippon* - 20 seconds.
7. *Hansoku-make* results now from three *shidos*, instead of previously four.
8. The third *shido* becomes *Hansoku-make*.
9. The *tori* will be allowed more time to engage a *kumi kata* (grip) and set up a real throw as long as there is **Positive Action**. The time frame will no longer be "immediate".
10. There is still a difference between normal (orthodox) and not-normal (unorthodox) *kumi kata*. You allow the normal *kumi kata* to go as before. The time frame for non-combativity (20-30 seconds) has not changed. In case of unorthodox *kumi kata* (belt, two hands same side, cross back, one hand, pistol grip, pocket grip, etc.) more time (3-5 seconds /U.S. ≈3 seconds) is allowed as long as a positive/ progressive effort is made to set up for a real throw.
11. Defensive attitude with normal or unorthodox grips (*kumi kata*) shall be penalized after 3-5 seconds.
12. Anti-Judo (Running away, extreme defensive action against the spirit of Judo) shall be penalized with *Hansoku-make*.
13. Leg grabbing/block, shall be penalized first by *shido* and secondly by *Hansoku-make*.
14. In the case where there is no score(s), or scores are equal, the contest will continue in GS.
15. Any scores and/or penalties from the regular contest will remain on the score board.
16. The decision in GS is made by the difference of a score or *shido*. (E.g. If both have 2 *waza-ari* each, and blue has a *shido*, during GS if white gets a *shido*, the contestants are now equal and the GS contest continues until another *shido* is given, or a score is awarded, or *Hansoku-make* is given.
17. The Bridging action from a throw shall be penalized with *Hansoku-make*. The competitor loses this contest, but can continue in the competition if applicable. This is done instead of calling *Ippon*, as was done in the past.
18. During a throw if the *uke* falls backwards onto both elbows simultaneously to prevent landing on his/her back, this action shall be deemed dangerous and a score of *Waza-ari* shall be called. Falling on one elbow to prevent landing on the back or side shall be considered a valid defense and no score shall be given if none of the side or back impacts the mat.
19. *Kaeshi waza*: the first competitor landing on his/her own body (*Kaeshi* action) with no, or lack of transfer of control or transfer was too late will be considered as thrown. If a score should be given, it will be assigned.
 - In the case where the two athletes land together and control is not clear, no score will be given.
 - If an action is started by a competitor after the initial landing (*Kaeshi-waza*), this action will not be counted.
 - Any action after landing will be considered as a *Ne-waza* action.
20. The competitors shall arrange their *Judogi* and *Obi* **quickly** between *Matte* and *Hajime*.
